13	3/8"-16 x 1-1/8" Grade 5 Hex Bolt	2
14	3/8"-16 x 1-1/4" Grade 5 Hex Bolt	4

- Notes:**
- Ramsey 251128 production as of 2021 does not match the 1992 design shown. Substitute HFT 90476 or 62446 for a more visually accurate style.
 - For greater strength, substitute #8 and #9 for Grade 8 and tighten to 80 ft-lb.
 - For greater strength, substitute on winch feet only #10, #11, #12, and #14 for Grade 8 and tighten to 33 ft-lb.
 - For superior corrosion resistance, substitute on hawse fairlead only #11, #12 and #13 for stainless steel.
